SUBJECT: Drop/Withdrawal & Tuition Refund Deadlines

Dear L&S Undergraduate Student,

There are a couple important deadlines this week that we would like to bring to your attention. This Wednesday, September 15, 2021, is the last day to:

- Drop a course(s) or withdraw from the Fall 2021 term without a DR/W notation appearing on your transcript (if you withdraw from the semester a notation will continue to appear on your records)

This Friday, September 17, 2021 is the last day to:

1. Obtain 100% tuition adjustment on dropped classes
2. Add, swap, or change sections without department permission

Please note that the dates listed here are for the traditional 15-week term. You are responsible for knowing the deadlines for your courses. You can find the specific dates for your enrolled classes in the section details of your course in the Course Search & Enroll app. Make sure you consult this information when making important decisions about your enrollment status. Session dates and deadlines will open a pop-up, which will show the Add, Drop, and Tuition Adjustment deadlines for that class.

Please also note that enrollment in 12-18 credits is a flat tuition rate. If you were originally enrolled for 12-18 credits and you retain 12-18 credits after dropping a course (or courses), your tuition does not change and you will not receive a refund. For information regarding tuition and fee due dates, please refer to: https://bursar.wisc.edu/student-tuition-account

Paying attention to deadlines is extremely important. If you have any questions and you are an L&S undergraduate student, please contact your undergraduate advisor for more assistance. You can also call the L&S Undergraduate Academic Deans' Services at 262-0617 between the hours of 1:15 pm - 3:00 pm Monday through Friday if you have a quick question.

Thank you.
